FAQ – FREQUENTLY ASKED QUESTIONS

Where can I get my Porto. Card?

You can buy the Porto. Card online and pick it up at the tourism offices located at Francisco Sá Carneiro Airport and Porto Cathedral. If you prefer, you can also make the purchase directly at the tourism offices, Porto Welcome Center or at the Trindade Tourism Office.

How long is the Porto. Card valid for?

The Porto. Card is valid for **1 day (24 hours), 2 days (48 hours), 3 days (72 hours), and 4 days (96 hours)**, depending on the chosen option. The card is activated from the date and time marked on the card.

How to use the Porto. Card with the transport option?

The Porto. Card is activated from the date and time marked on the card. Just present the Porto. Card to partners to enjoy free entries or discounts. For public transport access, the Andante Tour ticket is activated when you first validate your ticket. You must validate the Andante Tour ticket when starting your trip, and whenever you change lines or vehicles.

Important Tips:

- For the Porto.CARD for 2 and 4 days, you will receive two transport tickets. We recommend that you save one for your last day, in order to include the return trip to the airport.
- For the 2-day option with transport you will receive two tickets for 24 hours. Use one ticket for the first 24 hours and the second ticket for the second day (the next 24 hours). Each ticket is valid for 24 hours from the first validation. Do not validate both tickets on the same day.
- For the 4-day option with transport you will receive a ticket for 24 hours and a ticket for 72 hours. Use one ticket for the first 72 hours and the second ticket on the last day (the last 24 hours). Each ticket is valid from the first validation (72h+24h). Do not validate both tickets on the same day.

Is Porto. Card different from the Andante Tour ticket?

Yes. The Andante Tour ticket only provides access to public transport. The Porto. Card includes free access and various discounts on many attractions and, when selected, the Andante Tour ticket. This card gives you unlimited access to public transport (STCP buses, metro, and trains to Paredes, Paramos, Vila das Aves, Lousado and boat crossing between Cais do Ouro and Afurada).

Does the Porto. Card work on all public transport options?

The Porto. Card includes unlimited access to the metro, urban trains, STCP buses within the Porto Metropolitan Area and boat crossing between Cais do Ouro and Afurada, but does not include the tram or the cable car. Other transports with discount:

Anetours- Transfer - 15% discount

EFun Tours - Private Transfer - 15% discount

CP Comboios de Portugal - 10% Touristic Ticket for Aveiro, Braga, Guimarães, and Marco de Canaveses

Are there any discounts for children or seniors?

The Porto. Card has a single price for all ages. Discounts are available at various attractions but cannot be combined with other offers.

Does Porto. Card offer group deals?

Yes, groups can make the most of their visit with the Porto. Card, especially large groups. If you order 20 or more cards, you get a 10% discount. To get this offer you have to contact the Official Tourist Information Office of Porto Tourism or send an email to info@visitportoandnorth.travel.

Does the Porto. Card offer any other benefits?

Eurorail, Interrail Pass, ACP/ARC, Clube Remax users, and students and Porto University members (groups of 5 or more people) can get a discount when buying the Porto. Card. The discount ranges from 10% to 50%, depending on the partner deal and the type of Porto. Card they wish to buy.

Additionally, when purchasing 20 or more units, you will automatically receive a 10% discount. Purchases made by tour operators and travel agencies also qualify for a 10% discount when buying the Porto. Card.

To benefit from the discount, you should go to one of the Official Tourism Offices or request it by email at info@visitportoandnorth.travel.
